In the Notice, it was asserted that a filing date of October 23, 2003 was not accorded to the above-identified application since a complete specification was not provided.

A copy of all filed papers is enclosed for your reference.

In the enclosed Postcard including the serial number, there is no indication that any parts were missing.

As such, it is respectfully submitted that the Applicant has shown the specification compliant with 35 U.S.C. §112 was filed at the United States Patent and Trademark Office on October 23, 2003, and that the filing date of October 23, 2003 should be accorded the instant application.

Additionally, the Notice of Incomplete Nonprovisional Application indicates that the statutory basic filing fee is missing and the oath or declaration is also missing.
